I. Site Overview

This website serves as a cyber-portal of Fantasy Burgers Restaurant.

II. Site Structure

Home page: Displays a carousel of images, and serves as the landing page.

About page: An introduction and a brief history of the restaurant.

Contact page: Contains location and contact information of the restaurant.

Menu page: Online menu that can be used to order food online.

Register/Login page: User account management.

III. Color and Font Scheme

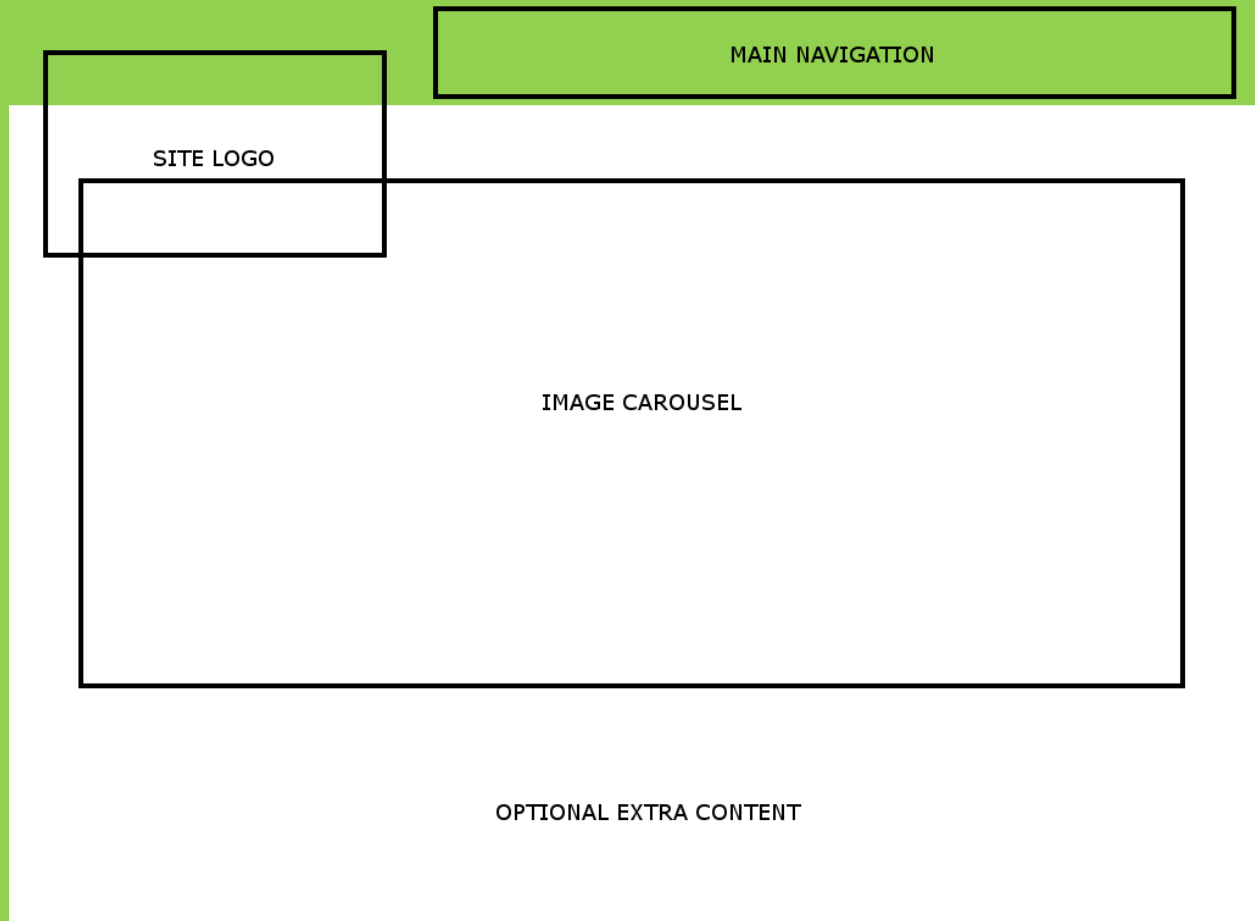

The site mainly uses apple green and white to create an atmosphere of freshness and healthiness.

The fonts used are Roboto and Open Sans, further accentuating the “crispy” look and feel of the site.

IV. Technologies

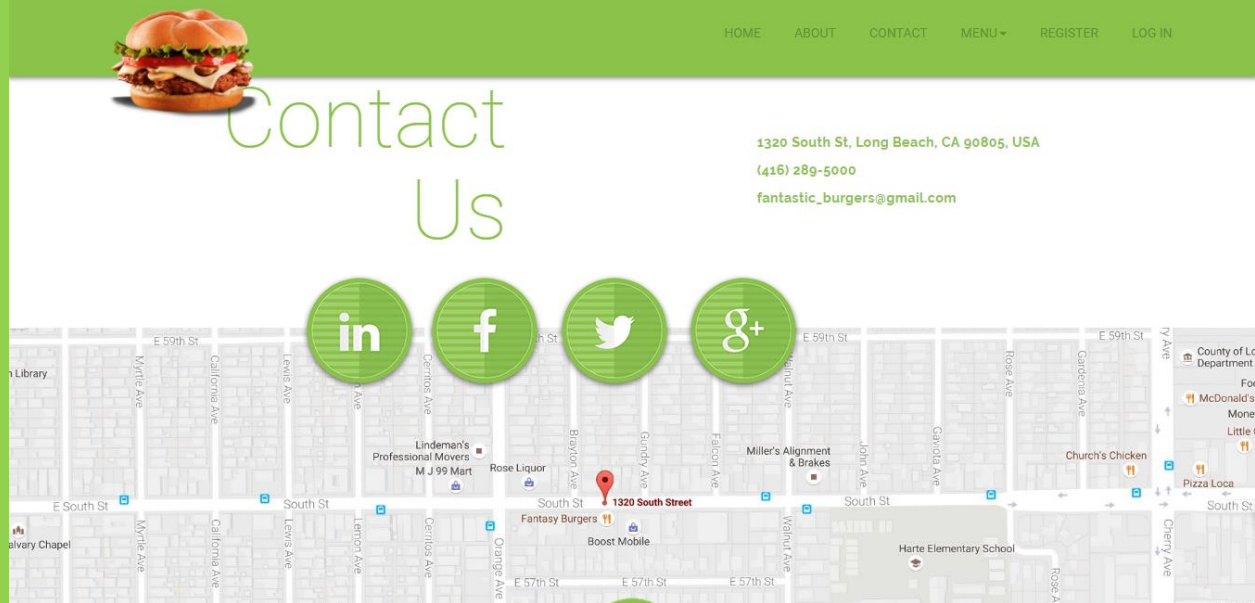

- *ASP.NET MVC 5 as framework*
- *Microsoft Azure as web host*
- *Visual Studio 2015 as IDE*
- *Git for version control*
- *GitHub for team collaboration*
